Comment Text :

1 -->no i think about them driving nuclear waste is a horrible idea if you have a crash  
a whole community will die and you will be at fault for over 100,000,000 peoples death  
and then you will say that it was a mistake and it will be too late so stop it before  
it happens thanks ]

a citizen of the United States or America  
Matthew J Williams
